CERTIFICATE OF TRIAL IN ABSENTIA ADMONITION

(Pursuant to Chapter 38 & 115-4.1)

The defendant is hereby advised that if any time prior to the final disposition of the charge, the defendant escapes from custody or is released on bond and failed to appear in Court when required by the court, the defendant's failure to appear would constitute a waiver of the defendant's right to confront witnesses against the defendant and trial could proceed in the defendant's absence. The defendant hereby certifies that the Judge has so advised the defendant: that the defendant has read and understands the consequences of failure to appear; and by the defendant's signature heron the defendant acknowledges that this certificate is part and parcel of his bail bond and is specifically incorporated therein. This certificate shall be filed in the Circuit Court file.
